TEMPORARY WORKS

“... parts of the works that allow or enable construction of, protect, support or provide access to, the permanent works and which might or might not remain in place at the completion of the works”

Note: examples of temporary works are structures, supports, back-propping, earthworks and accesses... (BS 5975)

BACKGROUND

Temporary works is a significant cost element to projects and is usually safety-critical.

There is no other UK body devoted to this important element of construction.

Members are welcome from all sectors and interests: clients, designers, contractors, suppliers, trainers, industry bodies, academia, etc.

Current members include leading individuals and organisations within the temporary works fraternity.

OBJECTIVES

The TWf objectives in respect of temporary works are, in general terms, to:

- Give authoritative guidance and, when required, professional leadership to the industry
- Consider aspects of permanent works and interfaces between permanent works and temporary works as are relevant
- Consider both current practice and likely development

**Temporary Works
forum**

Promoting best practice in
the construction industry.

**TWf is focused primarily on the UK,
whilst drawing on experiences from overseas**

Share, discuss and debate matters of topical interest...

- Be aware of trends and innovations in design, construction and use
- Consider whether unacceptable risk exists or might arise in the future and, if believed so, to give warning to relevant bodies
- Consider where further research and development appears desirable
- Encourage others to avoid duplicating work in hand elsewhere
- Keep a watching brief on international issues

Produce guidance and alerts...

MEMBERSHIP

Membership is by subscription and allows full participation in the discussions and derivation of TWf outputs.

Registrants are able to attend open meetings (held three times a year), subject to space, and will receive notification of TWf outputs, but are not able to participate in their derivation. For further details, either contact the Secretary (secretary@twforum.org.uk) or submit your request via the 'Contact Us' page on our website (<http://twforum.org.uk/contact-us/>).
